

NUMBER **202501**

Clarification **1**

DATE

03.12.2024

ISSUER

Curt Berglund

Clarification of Regulations CC-T 3.1 Engine with RPM limit and injectors clarifying.

Maximum RPM of the motor should be the same as the original engine specification + 500 RPM

Original **injectors and coils** as the engine make and model. No extra injectors and coils are allowed.

This will be added to the technical regulations from version 2 and onwards.
